All proceeds benefit VOCAL's state organization.

VOCAL (Victims of Crime and Leniency) fills the gap in our judicial system, by assisting victims immediately after a crime, or years later, as needed. VOCAL's staff assist HUNDREDS of Alabamians each year whose lives have been shattered by homicide, rape, robbery, burglary, assault or other offenses.

Direct services include crime-scene clean-up, crisis intervention, counseling, accompaniment to trials/hearings, and law enforcement training. VOCAL does not charge crime victims for its services.

VOCAL was established in 1982 as a 501(c)(3) organization. Donations are tax-deductible (Federal Tax ID #63-0845784).
